**State of Wisconsin
Department of Administration**

March 11, 1999

The Honorable, The Legislature:

This report is transmitted as required by sec. 20.002(11)(f) of the Wisconsin Statutes, (for distribution to the appropriate standing committees under sec. 13.172(3) Stats.), and confirms that the Department of Administration has found it necessary to exercise the "temporary reallocation of balances" authority provided by this section in order to meet payment responsibilities and cover resulting negative balances during the month of February, 1999.

On February 1, 1999 the **Common School Income Fund** balance was -\$912 thousand. This shortfall continues until February 11, 1999 when the balance reached \$116 thousand. This shortfall was due to the timing of revenues.

On February 9, 1999 the **Wisconsin Petroleum Inspection Fund** balance was -\$4.75 million. This shortfall continued until February 22, 1999 when the balance reached \$4.51 million. this shortfall was due to the timing of revenues.

The Common School Income Fund and Wisconsin Petroleum Inspection Fund shortfalls were not in excess of the statutory interfund borrowing limitation and did not exceed the balances of the Funds available for interfund borrowing.

The distribution of interest earnings to investment pool participants is based on the average daily balance in the pool and each fund's share. Therefore, the monthly calculation by the State Controller's Office will automatically reflect the use of these temporary reallocations of balance authority.

Sincerely,

MARK D. BUGHER

Secretary

Referred to the joint committee on **Finance.**
